ECLECTIC, QUIRKY, AND MID-CENTURY COOL

Berkley has built on its eclectic, mid-century aesthetic with a wide variety of locally owned shops. They range from women's clothing and accessories, Irish goods, Michigan made, bridal, tailoring, and a designer eyeglass store to collectibles and gaming stores. You can find hand-crafted goods as well — whether it's jewelry, violins, or a piece of pottery. Love making it yourself? We've got a knitting shop, art studio, and quilting shop, too!

Home to 40 restaurants and food-related businesses, Berkley's downtown has a selection of establishments that are widely diverse. Whether you're looking for craft beers, Piedmontese Beef burgers, fresh-from-the-oven pizza, gluten-free and freshly baked pastries, farm-fresh sandwiches, or the best breakfast and lunch around, we've got a spread waiting for you.

DDA'S MISSION

The Berkley Downtown Development Authority is a community-driven organization striving to enhance the shopping experience, economic vitality, and physical appearance of Coolidge Highway and Twelve Mile Road — Berkley's traditional commercial Districts. We strive to accomplish that mission by being creative, focused, transparent, forward-thinking, and engaged with our Downtown stakeholders and community.
